Edison Gets Okay on New Etiwanda Unit

Construction will begin July 1 on a new $43,000,000 generating unit at Southern California Edison Company Etiwanda Steam-Electric Station, it was announced today, by D. J. Hogg, Edison district manager.

Construction plans were announced following action of the California Public Utilities Commission this week in approving Edison's application to build the additional 310,000-kilowatt generating unit.

"This addition, which will be Unit No. 3 at Etiwanda, will more than double our generating capacity there, bringing it to a total of 560,000 kilowatts —enough electricity to serve more than 700,000 people," Hogg said.

"This expansion is being undertaken in recognition of the rapid growth of the San Bernardino County area and of Southern California as a whole," Hogg commented.

The Bechtel Corporation will be in charge of construction. A work force of 500 to 600 people from the local area is expected to be employed on the project at the peak of construction.

Target date for the start of operation of Unit No. 3 is May 1, 1963, he said.

Dr. Brossman Articles to Be Published

Dr. Sidney W. Brossman, chairman of the Language Arts Division at Chaffey College, has received notice that two of his articles have been accepted for publication.

"Engineering Communications: Heave Ho:" will be published shortly in Signal, the official publication of the Armed Forces Communication and Electronics Association, according to the Colonel W. J. Baird, the editor.

In an engineering department, said Brossman, "one of the most difficult tasks is to disentangle the intertwined rigging of vertical lines of administrative authority from the horizontal lines of group functional inter-relationships. And tied up in all this is the complicated ropework of lines of communication. Now it stands to reason that you don't want your communication cordage so taut that your sails won't function when engineers simply want to get a point across to someone in another group. Nor do you want the hawsers so loose that you have no communication at all."

In addition, Brossman's "Data Processing Systems and Procedures" has been published in this month's Data Processing a publication of Gilles Associates, on the subject of organization and management of large data processing firms.

Summer School Registration Set

Registration for summer school at Chaffey College is now underway, it was announced by Associate Dean of Instruction Dr. Clarence C. Calhoun. Enrollment for summer classes can be accomplished anytime between 8 a.m. and 9:30 p.m. Monday through Thursday, on the Alta Loma campus.

Basic lower division college transfer courses will be offered in science, business education, English, history, mathematics, philosophy, political science, psychology, sociology and speech.

Accounting law will be offered by the business department for the first time in the summer school. Ralph Newton will be the instructor. The class will meet five evenings a week from 7:40 to 10:00 p.m. for six weeks beginning June 26.

For more information about summer school write to Admissions Office, Chaffey College, 5885 Haven Ave. Alta Loma or phone Yukon 71737 or Valley 27456.

UPLAND HIGH'S VARSITY swim team finished the season with a 10-2 record this year. Members of the team are, standing from left, Managers B. Citrus Little League Starts Season, Pony Loop, Vineyard Ready

Starting buttons on the Cucamonga District's youth baseball program are rapidly being depressed as the Alta Loma-Cucamonga-Etiwanda-Guasti area prepares itself for another banner season of organized recreation.

Last Saturday, the Citrus Little League commenced its 60 game schedule, with a doubleheader at Etiwanda's Little League Park. George McCabe, president of the Citrus Little League circuit, presided over the festivities as his six-team loop launched its sixth season.

This Saturday, May 27, the Vineyard Little League starts its 1961 schedule, with the opening ceremonies tabbed for 1:30 p.m. at Etiwanda. A doubleheader will follow, with the first game between the Gyros and defending champion Titans scheduled for 2 p.m. The Comets will play the Astros in the 4 p.m. finale.

Officers

Herbert C. Hall is president of the Vineyard LL, with Loren Sampson, vice president; Margaret Vadnais, secretary, and William Goff, player-agent.

On Memorial Day, May 30, the Cucamonga District Youth Association's eight-team Farm League will commence its slate, also at Etiwanda. Sam S. Grasso is Farm League Supervisor, ably assisted by Howard W. Siemens, who is appropriately titled Assistant Farm League Supervisor.

Last and certainly not least, the district's new PONY League will start is first season in history, when a June 3 doubleheader at Chaffey College will start things off.

Kenneth Minor is President of the PONY League, with Louis Weldon serving as Vice-President, Mrs. Cory Aylor as Secretary and Dick Bangle as Player-Agent.

Entire PONY League schedule will be played at Chaffey College.

Results

Last Saturday's Citrus LL openers found Cinco De Mayo taking the measure of the twice-defending champion, Royals, 4-0, and the Lions outlasting the 7-Ups by a 5-3 score.

In the first game Dan Solters limited the Royals to two hits, as he led his teammates to victory. Zip Makabe, Martin Del Villar and Mac McGivney had two hits each in their team's win.

In the nightcap, Tim Smith and Greg Golden combined to decision Gordy Fingers of the 7-Ups, who although allowing only two hits and fanning 12, dropped the nod when six errors by his mates did him in.

Smith and Howard Felix singled in the deciding frame for the Lions' victory. For the 7-Ups, Carlos Duran had two hits.

Church Sets Stage For Annual Fiesta

St. Joseph Catholic Church will stage its annual Fiesta on June 2, 3, and 4 on the school grounds.

A carnival, complete with rides, cotton candy, fish pond, food booths and games of skill is scheduled for the gala event.

The booths are sponsored by the women of the Altar and Rosary Society and the men of the Holy Name Society are in charge of the Country store and games of skill.

A cakewalk with decorated cakes in all shapes and flavors will be featured at the cake booth. The booth will have all types of home baked goods which will be on sale the three days of the Fiesta. Mrs. Michael Iavicoli is chairman.

The fish pond promises an exciting catch for all the small fry. Mrs. Dominic Pugliese announced that the pond is stocked with many interesting prizes.

The fancy work booth features aprons, baby clothes, knitted apparel and linens all made by members of the Altar and Rosary Society. Mrs. Glen Smith is chairman.

Doll Booth

Mrs. Norman G. Vadnais, chairman of the doll booth, announced that a bride doll with a complete wardrobe will be awarded on Sunday, the last day of the Fiesta.

Tacos, Pizza, hamburgers, hot dogs and soft drinks will be featured in the food booths.

Chairmen in charge are Mmes: Eugene Brizinski, Rudolph Wehner, Leon Presto, Jack Lund and Michael Aguilar.

The proceeds from the annual affair will serve a two-fold purpose. Some of the Sisters of the Presentation Order have been away from their homes in Ireland for six years. This summer, four of them will return to Ireland for a longed for visit with family and friends.

Part of the proceeds will be used for this purpose and the balance will be used to reduce the parish debt. This is the only fund raising event that the parish stages for the year, so many months of planning and preparation go into the event.

The Fiesta officially opens at 6 p.m. on Friday, June 2, and the grounds and booths will open at 1 p.m. on Saturday and Sunday. The public is invited.

MMES. EDWARD McGREADY, Robert Miller and Anthony Cutrone, from left, will be on hand when St. Joseph Catholic Church stages its annual Fiesta on June 2, 3 and 4 on the school grounds. The booth will feature homemade foods. Bob Baumann Photo

. . . And CUCAMONGA

BY HOLLIS GUTHRIE

"Dear sir: —I am a sixth grader studying about industries in California. I would appreciate receiving information on the vineyards and grape-growing in your area," —sample of some of the letters we receive in the Chamber of Commerce office, here in Cucamonga from out-of-towners.

Even the school children, thanks to their wonderful teachers, are getting industrial minded, as well as Cucamonga minded. We still say the community booth at the Orange Show didn't hurt this District one bit.

During the last few weeks we have been giving out, here in the office, and Trading Post, plenty of information to local elementary and high school students who have been given assignments to write compositions about Alta Loma, Etiwanda and Cucamonga.

We were sorry we couldn't give away any GRAPE SQUEEZIN'S brochures but we have to sell them in order to pay the printer, so we dug back into our columns where we have been giving, from time to time during the last eight months, some past history, some present facts and some predictions of the future for this district of Cucamonga.

Happy Assist

We are always happy to assist students who show such an interest in our area and we enjoy listening to them. It gives us an idea of what direction, or trend, this nation is headed, and it looks mighty good.

They are becoming real, honest to goodness down to earth thinkers. They are keeping their feet on the ground and their eyes on outer-space activities yet digging into the past history of the area seeking color and natural beauty and the simple way of life of the pioneer days to gain a better perspective of the future.

In this respect they are no different than their elders. Television westerns enjoyed one of their greatest years in television viewing ratings during this last fall and present spring schedules. In fact, the sponsors who pay the bills for these shows, or any kind of television show, say the demand is growing and we can expect bigger and more spectacular westerns, or pioneer days type of shows, next fall season.

One student who came into our Chamber of Commerce office last Sunday while we were writing this column, he had accompanied his mother to the Thriftywash Laundromat next door, asked why such well-known town as Cucamonga, with all it's rich historical background of the days of the Indians, the Spanish people, the 49ers Gold-rush days, the Butterfield Stage Coach and the China Town days, the big citrus and grape harvest days, didn't have a museum to preserve all this interesting information? Something on the order of Knotts Berry Farm and Disneyland?

Said he was able to prepare better school reports on the history of California by going to these places and enjoy himself at the same time. And his folks liked visiting these tourist wonderlands too, but the long drive through the Sunday traffic took all the fun out of it.

So here is another reason, educational as well as entertaining, that we should have a permanent year-round Cucamonga Grape Festival Park, with an exhibit building wherein the history of the grape growing and wine making industry could be told by pictures, drawings, full size equipment and actual models of wineries.

There could be horse drawn rides, outdoor theater, and shops selling souvenirs, strolling musicians, sidewalk cafes, and in the fall hold a special festival, giving away free grapes to the visitors, as added attractions.

Also, it would serve as an overall attraction for prospective buyers of land for new manufacturing plants, new commercial businesses and home owners. Disneyland and Knotts Berry Farm did this for Orange County.

Spring Sing Plans Made

Seven Chaffey College clubs will be represented in the first annual Spring Sing to be held Saturday, May 27, from 8:00 to 11:00 p.m. in the Little Theater.

The sweepstakes prize will be $40 added to the winning club's treasury. Prizes of $20 will be presented to the winning club in each of three fields: Mens, Women's and Mixed groups.

"Concert in Color", the theme chosen for the show, will be judged by music teachers representing five neighboring high schools.

Clubs participating in this event are: Panther Blacks Panther Women, Circle K, Sigma Iota Delta, Christian Fellowship, Secretarial and Caduceus.

PTA Closes Current Year

Etiwanda PTA held its final meeting, of the 1960-61 year, in the school auditorium May 18.

Rev. Burley Howe, pastor of the congregational church gave the invocation.

The program was presented by Otto Killian, music instructor. A group of students from Central in Cucamonga joined with the Etiwanda school band to play several numbers under the direction of Killian.

Instrumental solos were given by students, Jimmy Walton and Ricky Wallack. The school chorus sang five songs. Their leader is William Baumann, language teacher.

Room mothers for the first and second grades served refreshments.

HENDRICKS PROMOTED

Ralph V. Arnold, Chairman of the Board and President of The First National Bank of Ontario, announced the election of John M. Hendricks, Jr., as Assistant Vice President.

Cucamonga Mesa Group Schedules Open House

The 1961 Open House of Cucamonga Mesa Growers will be held at the packing house, 430 East 19th St., Upland, California on Thursday, June 8, for members and invited guests.

Luncheon will be served at noon. During luncheon Nelson McIninch of CBS-Radio KNX will broadcast the "Nelson Mc Ininch" show live from the Association.

Following luncheon, F. R. Wilcox, general manager of Sunkist Growers, Inc. will address the members and guests. Following this talk, Felton Browning, Manager of the Growers Service Department of Sunkist will show a new picture entitled "Changing Markets", dealing with the sales markets and districts of Sunkist Growers.

During the morning, and following the meeting the packing house will be in operation to show the guests how citrus is washed, packed and made ready for shipment to the markets. Cars will be loaded, and some trans-contintential trucks will be loading for delivery to eastern buyers.

Organized

Cucamonga Mesa Growers was established in 1932 as a result of the consolidation of Alta Loma Citrus Association, and Old Baldy Citrus Association. Since that time members of three other associations have affiliated with Cucamonga Mesa Growers, making it the largest combination house in the area.

Since the original consolidation the Association has averaged 682 carloads of citrus annually, composed of about 60 percent lemons, and the balance oranges and grapefruit. In former years most of the citrus was produced within a few miles of the packing plant. Today fruit is hauled to the plant from as far as 35 miles to the south, 40 miles to the east, and 15 miles to the west. Freeways and sub-divisions have made a great change in the producing areas of citrus.

Present officers are Glen Shepherd, Etiwanda, president; J. F. Grass, Jr., Alta Loma, first vice president; R.H. McLennan, Alta Loma second vice president. Other directors are Ralph A. Sage, Cucamonga; D. E. Schowalter, Cucamonga, and Bob Marriott, Upland. M.E. Henderson is Secretary-Manager.

The first open house was held in 1953, and with each succeeding one the interest and attendance has increased. This is not an annual meeting, but an opportunity for members and guests to become acquainted with the officials of Sunkist and the citrus industry and to see the house in normal operation.

The products division will have orange and lemon juice dispensers in operation as well as displays of the products produced by the two plants.

Three Types Scholarships Announced

Three types of scholarships are now available for Chaffey College students according to June Teitsworth, Associate Dean of Student Personnel.

The Chaffey Wives are setting up a $100 book fund at the bookstore for a student who will be a sophomore at Chaffey next year. There will be no cash involved. The award will be in the form of a credit to be used for books and supplies only.

Two transfer students who will be juniors next year will be the recipients of two cash awards of $100 each, donated by the Ontario Elementary Teachers Association. Applicants must be education majors planning to be elementary or secondary school teachers.

The International Relations Club will award two $100 cash scholarships to members of its own group.

Applications may be obtained from Miss Teitsworth in Administration 23 or from Mrs. Edwards in the guidance center, and must be returned by May 26, or May 24 in the case of the IRC award.

Wisconsinites Plan Sunday Picnic

Former Wisconsinites will join in a Wisconsin Club family picnic at Westmont Park, Pomona, at 1 p.m., Sunday, May 28.

A pot luck with hamburger fry and bratwurst as added features can be purchased.

Picknickers were asked to bring their own table service, dish to pass, and drinks. Punch will be furnished for children.

A junior princess will be chosen for the All States picnic and parade, and a short business meeting will follow lunch.

Our Lady of Fatima Has Hawaiian-Style Dinner

Freshmen Athletes Welcomed By Upland Girls Association

Freshman girl athletes enrolling at Upland High School next fall won't feel quite so strange because of a cordial welcome arranged by the UHS Girls Athleic Association. Last week, the GAA sponsored a junior high softball playday on the athletic fields at Upland High School.

Girls from Etiwanda, Alta Loma, and Upland junior high school arrived for a day of softball and swimming. Last fall the girls also invited the youngsters to a volleyball playday to acquaint them with the facilities and the layout of the campus at Upland High School.

GAA officials for the playday were Sally Mertz, Dorothy Wood, Delia Sanchez, Joan Wilson, Lupe Laidlaw, Gloria Guzman, Lynette Breazeale, and Debbie Smith. Committee members were Ruth Ann Pursell, Linda Volz, Carol Witten, Frances Aleman, and Mercy Santos. Miss Virginia Manker was sponsor, assisted by Mrs. Donna Hill, Mrs. Shirley Cooper and Mrs. Willie Kuhn.

Dedicated To Building A Bigger And Better Community In Which To Work, Live And Relax

AN EDITORIAL

A Worthwhile Contribution

In the days when American culture is increasing its scope in quality and quantity it is encouraging to note that in the colleges in the area culture is being placed in the foreground this spring.

This appreciation and teaching of the arts is not limited to the colleges, however, and it is heartening to see the high school, junior highs and elementary schools joining in the effort to teach and appreciate music and arts in other forms.

On June 1 the final spring choral concert festival will be presented at Chaffey Civic Auditorium with over 1000 voices of young people from elementary and junior high schools featured.

Good Music

Earlier adult and high school singers were featured in this very fine musical and choral effort. Elaborate planning has gone into the preparation for this choral festival and its rewards will still be reaped in the hearts and minds of these young people when they become adult citizens.

A society without culture is a society which decays and grows stagnate. There is much beauty and comfort to be found in the appreciation of music and the arts of ballet, painting, creative writing and other forms of the arts.

And Song

Upland College and its choral and choir groups has long been recognized throughout California for its outstanding efforts in this form of culture and practicing of the arts.

Its contribution to Upland and the many fortunate people who have had the opportunity to hear these talented young students perform is unmeasureable.

Chaffey College's Arts on Campus event last week is deserving of much praise and worthy of high esteem.

It was a highly successful effort to give the people an appreciation, an understanding and a chance to see some form of expression other than that provided by blue books.

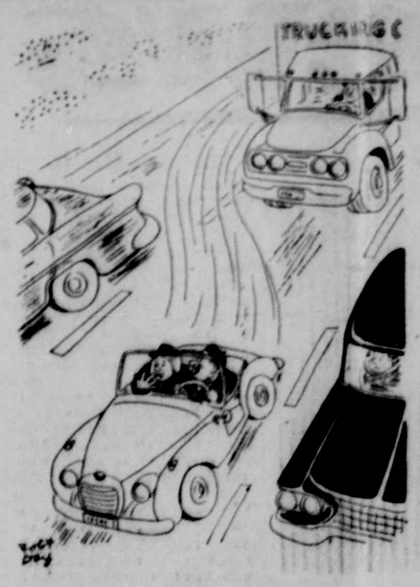

The Arts

Among those things that have lasted in the cultures of people, such as art, ceramics and modern dance were on exhibit during the Arts on Campus event.

America today cries out for more and more culture and therefore this effort to fill the great need in society today is one to be highly commended and congratulations are in order for all who have a part in this fine venture in all schools in our area.

We offer this as our voice of approval to this fine contribution to the community and to the country and the world.

Can you believe it? There are only four more weeks of school left including finals and one holiday! Great!

Each week is overflowing with activities. There are still some elections left to go and banquets and other activities and programs.

The Roman Banquet will be held this Saturday night. Come Romans, and feast in fine style, in the cafeteria. Your garb is to resemble that of the ancient Romans. There are going to be several juniors who are looking forward to serving as slaves this year. Slaves are first year students.

If you've been wondering where a certain senior named Annette Filpi is, wonder no more. Annette has gone to Europe. Unfortunately she will not be back for graduation. I hope her trip makes up for it!

Congratulations, Chuck McGinnis! Chuck was accepted at Oregon State University to study in the program for gifted junior students.

The chorus girls, advanced girls' chorus, that is, are going in to Los Angeles to see the Merry Widow at the Philharmonic on Saturday. I'm sure you will enjoy it immensly, girls. Have fun!

Some more seniors have planned their college careers. Jim Morris is going to Pomona College. Bill Croghan will attend UCLA, and Steve Golden has received a state scholarship and will attend the University of California at Santa Barbara.

Swim Show

The svcronized swimming classes are going to put on an aquarada in our pool on Friday night. The girls have been working on their routines for about a month, and it should be a real fine show.

Your top 10 records for this week are the following: 1. I've Told Every Little Star by Linda Scott; 2. Hello Mary Lou by Ricky Nelson; 3. Mother in Law by Ernie-K-Doe; 4. Moody River by Pat Boone; 5. Sparkle and Shine by the Four Coquettes; 6. Bonanza by Al Caiola; 7. Breakin' in a Brand New Broken Heart by Connie Francis; 8. Little Devil by Neil Sadaka; 9. Girl of My Best Friend by Ral Donner, and 10. Halfway to Paradise by Tony Orlando.

The Civics Classes are going on a field trip next Monday. They will tour the County Court at San Bernardino.

Connie Francis has a new album. It is Connie Sings to a Swingin' Band. It is a real great album, so listen to it.

Election

Your girls' league and class officers will soon be elected. Only girls can vote in the Girls' League elections, so get out and vote, girls. Remember to choose the president carefully, for she will represent you on the Student Council in any affair concerning girls League.

For the student body elections, we had 70 percent of the students voting. This is very good. Keep it up for your class elections. The class presidents serve on the Student Council also. See that you are represented to the best extent. Choose your leaders well, and you will be rewarded with a great year in 1961-62.

It will be interesting to see which class has the highest percentage of voters coming to the polls in the class elections. Freshmen? Sophomores? or juniors? We'll soon know.

Don't miss any of the activities this week, there are a lot, and you can be a part of them!

There may be no joy in Mudville when this column appears in print but at its writing excitement is the order of the day among Upland High students as their baseball team prepares to do battle with Palmdale in the third round of the CIF playoffs.

Win or lose, however, the 1961 edition of the Highlander baseball team has placed a commendable mark in the records of the school's athletic endeavors.

Last week the Highlanders tripped Bishop Cantwell 4-3 and Bishop Montgomery 8-1 to remain the lone West End team in the CIF playoffs.

Earlier the Highlanders had chalked up nine wins and one loss to share the TCL title with favored Pomona, a team which was eliminated from CIF competition in the first round of the playoffs last week.

Slow Start

In regular season play Coach Bill Wolfe's squad got off to a slow start and failed to find the unity required to stop arch-rival Chaffey High in two games.

The veteran Highlander team began to jell after that and collected nine straight TCL victories before falling before Pomona in the league's final contest. This was somwhat of a repeat performance of last year when the Highlanders shared the TCL crown with Claremont.

The veteran Upland team has combined excellent pitching and a power-laden batting attack to carve its notches in baseball history this season.

Jim Lail and Tom Solters ended the TCL season with remarkable batting averages. Lail led the pack with a .526 and Solters was close behind with an even .500. Jim Wilcox grabbed the third spot in TCL batting with a mark of .412, normally good enough to be the leader.

Other healthy averages belonging to Upland players are Chuck McGinnis' .385, Lou Schmutz' .367, John Viveros' .354 and Steve Morrison's .355.

Among the mound staff Solters posted a 3-0 league record and Jim Thornton compiled a 6-1 league mark.

Solters set the modern TCL batting record in 1958 with a .478 effort and Lail's .526 for this season figures to keep this particular honor in Upland for some time to come.

Tennis Laurels —

Jerry Bell's Upland High tennis team also heaped laureis on the school this season by going through TCL play without a loss and compiling a 10-0 league record.

The Upland netmen successfully got by first round action last week in CIF play for small schools. Tuesday the tennis team was to play at Upland to face a rugged Desert-Valley League championship team.

A picture and story feature on the tennis team can be found elsewhere in today" News.

Scholarship Given Graduate

Miss Judith Fisher, daughter of Mr. and Mrs. Newton Fisher 921 S. Euclid, Ontario, is the recipient of the Louisa Pesqueira Scholarship, granted each year by Alpha Pi Chapter, Delta Kappa Gamma, to women students studying to become teachers.

Miss Fisher is a former student of Chaffey College, and at present is a Junior at Biola College in La Mirada. Members of Alpha Pi interested in Judy's future in Education urged her to apply. She was selected for the scholarship from among applicants throughout the whole of San Bernardino County.

Miss Fisher is employed during her summers in Ontario by the Ontario School District Curriculum Library.

UHS Vectors Tour Firm in Los Angeles

Upland High School's Vectors journeyed to Los Angeles last week for a tour of the International Business Machines Company. The mathematics club was so impressed with the trip, according to teacher Mrs. Pauline Myers, that plans are now being made for a return next year.

The group was briefed on sales, display and demonstration, education, testing, customer engineering, and referral. On the tour were demonstrations of many of the newer IBM computers, and the classrooms where instruction in use of the machines is given.

Mrs. Myers and instructor Charles Strain accompanied the following mathematics students on the trip: David Alderman, Ron Bowser, Ed Carlson, Tom Dorsey, Bill Doub, Richard Kermer, Sharyn Lemmon, Malcolm Lewis, James Morris, Douglas Owens, Jim Roossien, Hal Royalt, Ron Saltgaver, Michael Schlepp, Jan Shearer, Ed Simonsen, Edward Valz, Susan Johnson, Vickie Barbee, Fred Perry and Clive Warner.

Pam George Named To Student Office

Pam George of Upland has been elected to the office of treasurer of the Associated Women students at the University of Redlands.

Miss George was recognized last week in the University of Redlands 1961 Honors Convocation.

A freshman at the University, Pam is the daughter of Mr. and Mrs. Donald L. George who reside at Upland.

Rev. Guertin

Upland Man to Become Priest at Notre Dame

The Rev. Donald F. Guertin, C.S.C., son of Mr. and Mrs. Donald W. Guertin, 257 Euclid Place, Upland, will be ordained a Catholic priest in the Congregation of Holy Cross, on Wednesday, June 7, in Sacred Heart Church, Notre Dame, Ind., by the Most Rev. Leo A. Pursley, D.D., Bishop of Fort Wayne-South Bend.

Father Guertin will offer a Solemn Mass at St. Francis Xavier Church, Ecorse, Mich., on Sunday, June 11. Assisting him will be the Rt. Rev. Msgr. Tobias G. Morin, Arch-priest; the Very Rev. Msgr. Arthur M. Karey, Deacon; the Rev. Daniel J. Walsh C.S.C., Subdeacon.

The sermon will be delivered by the Rev. Glenn J. Boarman, C.S.C., of the University of Notre Dame. The master of ceremonies will be his uncle, Jerry Guertin. A reception will be held for the newly ordained priest from 3 to 5 p.m. in St. Francis School auditorium.

A second Solemn Mass will be offered in St. Joseph Church, Upland, on Sunday, June 25. The Rev. Robert Waide, C.S.C., will be the Deacon; the Rev. Philip A. Higgins, Subdeacon. The sermon will be delivered by The Rev. Michael Browne. A brother of the new priest, Lester Guertin, will act as master of ceremonies.

Father Guertin attended St. Francis Zavier Grade and High Schools in Ecorse, Mich. He attended Chaffey College for two years; in 1948 he entered flight training with the Air Force at Pensacola, Fla., and received his Naval Aviator's Wings in 1950. He flew with a Navy Squadron based in Hawaii until he was released from active duty in 1952, when he began engineering studies at the University of Notre Dame.

He transferred to Holy Cross Seminary on the campus the next year and was later graduated from the University. His superiors sent him to Holy Cross College in Washington, D.C., for a four-year theological preparation for the priesthood.

As a Holy Cross priest, Father Gurtin will be assigned to the University of Notre Dame to prefect and to study pastoral theology. He will be assigned later to one of the works of the Congregation of Holy Cross; teaching, home and foreign missions, parish work, the preaching of missions, retreats, etc.

The Congregation operates the University of Notre Dame an d maintains its western headquarters there.

State Employment Service Launches Hire Now Campaign

Following up Gov. Brown's statement endorsing the nationwide job drive, John Calderas, manager of the Ontario office of the California State Employment Service, announced plans for a local Hire Now campaign coordinated with the national effort.

Calderas said his staff will expand their contacts and promotional effort in the community to stimulate employers to Hire Now. Cooperation and assistance from community leaders and all segments of the economy will be sought to participate in the JOB DRIVE, according to Calderas, including the chamber of commerce, management, labor, and veteran organizations, as well as local, state and Federal Government officials.

There is a marked improvement in the national economy and most economic trends point to a rapid improvement in business conditions. Calderas said, "The time for employers to staff their plants and businesses is now when they can take advantage of the excellent supply of highly qualified job applicants that are now available through the local employment service office."

As an example of improving conditions locally, there were 1300 initial claims for unemployment compensation in April compared with 1400 in March and 1400 in February. The continued claims figures were 9000 for April, 9500 for March and 9600 for February. The local office made 328 job placements in April, 262 in March and 160 in Feburary.

Calderas concluded by saying the Job Drive being conducted in the West End and directed to employers will use the slogan: When They Work, You Profit. Hire Now!

SHERER PROMOTED

hey!...it's worth shouting about!
those friendly people at Upland Savings really give service
My parents like to save at Upland Savings because they make it so easy. If Mom is going downtown, she stops in and adds to our account herself. And if she is too busy to leave home, she mails our savings in. But most important, my parents have learned to save regularly.
Why don't you start an account at Upland Savings? Accounts are insured to $10,000. Savings received by the 10th of any month earn interest from the 1st of that month, and you always earn the highest possible interest consistent with insured safety.
Take a minute to look over the investment or earning schedule below; there should be a column to fit your income. If not, or if you'd like additional information, please phone or visit us. You will not be obligated in any way. We are one of the most respected financial institutions in the area.

LOW PRICE IS ONLY HALF THE STORY

(The other—and even more satisfying—half you'll discover the first time you drive a Corvair!)
And when we say "low price," we mean more than merely the pint-sized figure on the window sticker of a new Corvair. You're going to be saving like sixty on gas. And on the antifreeze you won't buy next winter, and the radiator repairs you'll never have to pay for. About the only things Corvair doesn't skimp on are room, smoothness, style and pure driving joy. But that's the other half of the story. Talk to your Chevrolet dealer about it soon!

NOTICE INVITING BIDS
For Construction of
Southwest Quadrant
Interceptor Sanitary
Sewer System

NOTICE IS HEREBY GIVEN that sealed bids will be received in the office of the City Manager of the City of Upland, California, up to 2:00 o'clock p.m. on June 5, 1961, and will be publicly opened by the City Manager at 2:00 o'clock p.m. on June 5, 1961, for the construction of Sanitary Sewers and appurtenant works, all in accordance with Construction Details, Standards, Specifications, Plans, and other approved Contract Documents therefor, on file in the office of the City Engineer of said City, to which Plans and Specifications bidders are referred for further information.

Plans and Specifications and all contract documents may be obtained at the abovementioned office of the City Engineer upon payment of a fee of $5.00 for each set of plans and specifications.

Each proposal must be accompanied by a certified check, cashier's check or Surety Bid Bond in the amount of not less than ten per cent (10%) of the estimated aggregate amount of the bid as a guarantee that the bidder, if successful, will promptly execute a contract in the required form and furnish a satisfactory faithful performance bond and material and labor bond. Each of said bonds shall be in the amount of one hundred per cent (100%) of the contract price.

Pursuant to the provisions of the Labor Code of the State of California, not less than the general prevailing rate of per diem wages and not less than the general prevailing rate of per diem wages for legal holidays and overtime work, for each craft or type of workman needed to execute the work contemplated under the Agreement, as ascertained by and set forth in Resolution No. 1503 adopted by the City of Upland City Council, shall be paid to all workmen employed on said work by the Contractor or by the subcontractors doing or contracting to do, any part of said work.

All others shall be paid at the prevailing wage rates paid in the County of San Bernardino. Overtime applicable to each classification shall be paid at the prevailing overtime rate in the County of San Bernardino. The foregoing schedule of hourly wage rates is based on a working day of eight (8) hours. The hourly wage rates prescribed herein above are the per diem rates divided by the aforementioned number of hours constituting a working day. It shall be mandatory upon the Contractor to whom the contract is awarded and upon any subcontractor under him to pay not less than the specified rate to all laborers, workmen and mechanics employed by them in the execution of the contract.

Bids must be returned to the office of the City Manager enclosed within a sealed envelope with the words "Bid —Southwest Quadrant Interceptor Sewer System" plainly marked on the outside of the envelope.

The right is reserved to reject any and all bids which the City Council may deem not to be to the best interest of the City and also the right to waive any informalities in a bid, and the right to award the contract for the above described work within 30 days thereafter.

Work of construction shall begin within 30 days after the signing of the contract and shall be completed within 100 calendar days after the date of the contract.

Further information will be furnished and detailed plans and specifications of the proposed work may be inspected at the office of the City Engineer of the City of Upland. Proposal blanks and copies of the plans may also be obtained from the City Engineer.

By order of the Council of the City of Upland, California.
